

Dear Tenants,

We have been working diligently to adopt policies to prevent community spread of the coronavirus and the associated disease, COVID-19. Our mission is to maintain our client relationships on a day to day basis, while reducing person to person contact.

Today Governor DeSantis issued a stay at home order for all non-essential businesses starting Thursday @ 12:00 p.m. until April 30<sup>th</sup>. Effective at 5:00 pm today, our office will be closed to the general public. Please be assured we will still operate within our normal business hours.

**We are asking all of you to help us honor our community commitment to reducing person-to-person contact by utilizing our online portal to pay your rent.** We would like all tenants that are able to please sign up and pay rent online vs. bringing checks and/or mailing checks to our office.

**OPTION 1:**

To sign up to utilize our online portal, please click here: <https://solutionsrentalsfl.com/>. Follow instructions to pay from there.

**OPTION 2:**

If this option isn't suitable for your situation than you can mail your checks to the Merritt Island office only.

As you know these efforts and protocols are crucial to protect our community, especially those who are most vulnerable. We thank you for your support and cooperation.
